

Wild Ones of Greater Kane County is offering a late summer plant sale. Plants and grasses are from Taylor Creek Restoration Nursery, and trees and shrubs are from Majestic Oaks.

We are doing it a little differently this time. We are using a format called Airtable. This form will be sent to you by clicking on a link. It is a very easy drop-down box format with all the plants listed, and you just fill in how many of each you would like. Airtable will compile all the requests, and we will know from that how many flats to order.

Regarding the forbs and grasses: **you must order in quantities of 8, 16, 24 or 32 plants.** For trees and shrubs, you can order the number you would like.

If you wish to order a whole flat of plants from Taylor and do not see what you want to order on the list, you can go to www.taylorcreeknurseries.com to see what plants are available on their wholesale list and let us know that you want to order an entire flat.

This only applies to a whole flat of 32.

If we have only 8 plants of any one kind ordered, we may need to deny that request or offer them for a greater cost, as Taylor Creek will charge us more to make up flats that include more than one species. The upcharge is 25% per flat. Once we have compiled multiple plant flats, we will let you know if there is an extra charge, and you can decide if you want to purchase the plant.

The absolute cut-off date for ordering is August 18. We will need time to compile the orders. Once we have compiled the orders, we will send you the amount you owe us. You can send a check to Mary Alice or you can call Kim and request a charge with Square over the phone. We will need payment before we order the plants. **Do not send money until we confirm your order.**

The **pick-up date is Friday, September 10**, at Schweitzer Environmental Center in Dundee Township. We do have the option of Saturday the 11th if you are working or cannot pick-up on Friday. We will send out a pick up schedule.

Prices are as follows:

Plants from Taylor Creek are \$3.50 for members of Wild Ones, \$4.00 for non-members. Trees and shrubs are \$22 for members of Wild Ones and \$25 for non-members. One exception is American Hazelnut (*Corylus americana*), which is in a 1 gallon, not a 3 or 5 gallon, container and is \$12 for members and \$15 for non-members. If you are unsure as to your member status, you can go to Wildones.org and sign in. Or, you can email Kim at kjhaag@comcast.net, Sharon at joyfulsharon@aol.com or Karen at ksherman19@gmail.com.

Questions, contact Kim at kjhaag@comcast.net.
