Taylor Creek Restoration Nursery
is supplying these plants.

NOTE:

Because we will be ordering full flats of 32 plants, we are requiring that you order at least 8 plugs of a single species, If you want more than 8, you will need to order 16, 24, or 32. We may not be able to order what you want if there is not enough demand for a particular plant.

There is always the option to order a full flat of the plant you want and share with others who didn't place an order.
